The Brave Little Chinaman Will Soon Reopen His Laundry

Lee Kwong, not utterly disheartened by the wanton destruction of his business by an incendiary, has rented the Sutton street house of Mr. David Hochinger, and it is now being fitted up for his occupancy.

He will in a short time reopen his laundry; and the way to help the little fellow out is for our people to patronize him when he gets started. He is not asking charity; he is willing to work, and he is sure to pay for what he gets.

LOOKING BACKWARD

A Recent Ledger Article Brings Back Some Old Memories

THE LEDGER's article on the Ellsworth-Jackson killing was read with considerable interest by one who was at Alexandria a few weeks after the tragedy and visited the Marshall House where it was enacted.

Colonel Ellsworth was from Mechanicsville, N. Y., and commanded what is known as a Zouave Regiment from the peculiar style in which the men were uniformed.

At the time of which we write nearly all the woodwork of the stairway had been carried off by relic hunters, most every one visiting Washington those stormy, exciting times going down to the Virginia city to see the old hotel on King street where the first bloodshed of the War had taken place.

Passing down the Potomac river some thirty years afterward and reverting to the incident, it was asked of a gentleman near by whether he knew what had become of Frank Brownell, who had bayoneted Jackson after he had shot Colonel Ellsworth, and the reply was that he had seen him that day at the Pension Department at Washington, and knew him well, as he was a clerk there himself and had seen him every day for years.

Brownell died only a year or so since at Washington City.

NO PERSON

Would Make Such a Proposition to the People of Maysville, as Has Our Leading Druggist, J. C. Pecor.

Did you ever know or hear of a person who would offer to return every cent you paid him if he could not build up and create strength and vitality for old people, weak, sickly women and children and the convalescent; create an appetite, cure stomach troubles; make those who are too thin fat, rosy and healthy. Or cure hacking coughs, chronic colds, throat and bronchial troubles?

This is exactly the offer our well-known and reliable druggist, J. C. Pecor, makes to every person in Maysville.

Mr. Pecor says Vinol is simply the most valuable and delicious preparation of cod liver oil known to medicine. It is the greatest known strength creator and health restorer. It makes the blood rich and pure. It turns up the tired, weakened digestive organs. It strengthens every organ in the body to do its work as nature intended, and wherever it fails he will give back the money paid him for it.

Thousands of unsolicited testimonial letters, which is the best proof of merit any medicine can have, prove its value. We advise every sick and ailing person in Maysville to try Vinol on Mr. Pecor's guarantee to return money if it fails. Remember, you get it at the store of J. C. Pecor, Druggist.

Mr. Elbert Pangburn will give up his place with the Adams in this city to return to the farm. Mr. Joseph Harney will take the place.

The will of the late Charles W. Hubbard of New York, read on the 18th inst., cuts out all the Mason county heirs. They were represented at the reading by Mr. and Mrs. H. T. Davidson of Philadelphia.

River News

The Harvester is on her way up with a fleet of empties.

The river at this point has fallen just two feet since yesterday, the gauge reading 40.5.

The Monongahela Coal Company lost a boat containing 25,000 bushels of coal at Louisville.

The first of the big coal fleet began passing this city this morning at 9 o'clock. This is the first coal that has passed down in many months.

Several accidents are reported up the river. The Clyde and Stella Moren collided above Lock No. 4 and one of the Clyde's boats was sunk. Return, belonging to the Iron City Sand Company, and the Catharine came together at Lock No. 1, one of the sides of the Catharine being damaged.

The Fred Wilson with 5 coalboats and 7 barges, the Ranger with 5 barges, the Rover with 8 barges, the V-yager with 5 boats, the Robert T. Jenkins with 5 boats, the T. J. Wood with 5 boats, the Charley Clark with 5 boats and the Pacific No. 2 with 3 barges have left Pittsburgh and are on their way down. The Rover struck the Monongahela City Bridge and sank 3 coalboats.

Another Ohio river transportation company has been organized and with the opening up of the river two additional packets will be put on between Cincinnati and Pittsburgh. The name of the new company will be "The Pittsburgh, Parkersburg and Cincinnati Packet Company," and it will operate two steamers, the Avalon between Pittsburgh and Parkersburg, and the Ben Hur between Parkersburg and Cincinnati. The Ben Hur will make one round trip and a half each week, leaving Parkersburg early in the week and after arriving in Cincinnati going back as far as Huntington and then returning to Cincinnati from there. The return trip from Cincinnati to Parkersburg will be made in time to make connection with the Avalon, which will make two round trips from Parkersburg to Pittsburgh each week.

Damages to river interests at headwaters by the recent breakup were: Sixteen coalboats swept away from Fawcett's Landing, South Side; six coalboats swept from O'Neill's Landing, South Side; three coalboats sunk at Pacific Landing, Point Bridge; two coalboats sunk at Jutte's Landing, South Side; two coalboats sunk at Snyder's Landing, Explan Borough; three model barges loaded with steel products, swept away, one sunk; one barge sunk at Budd's Landing, below Wabash Bridge; one coalboat sunk at Clyde's Landing, below Wabash Bridge; one coalboat and two barges sunk at Albany Mines, Monongahela river; houseboat sunk at Fawcett's Landing; ten flats carried away from Brilliant Pumping Station, towboat Hornet No. 2 sunk at Paden's Island, Towboat Volunteer sunk at Brown's Station, new towboat Winifrede sunk at Marietta, two coal tipsies at Brownsville, Baumont and Empire carried away; model barge Chester sunk at McKees Rocks, loaded with cotton ties; pleasure barge Annie Roberts sunk at Monongahela wharf. The damage done to river property will reach \$200,000. Coal in some of the sunken craft may be recovered, but three fourths of the property will probably prove a total loss.

Major Morris C. Hutchins of this city has entered the fight for the Pension Agency of Kentucky, the position made vacant by the death of General Dan R. Collier. So far nine applications are on file in Washington for the place.

HE'S GOT 'EM!

Getting Rid of His Greenbacks and Germs Fast as Possible.

The following startling information is published for the benefit of those who have other people's \$ bills in their clothes—

MILWAUKEE, Wis., January 27.—There are 95,000,000 germs on a dollar bill. Nor is this speculation. The city chemist has just completed an examination of a bill of this denomination and has ascertained the public with figures. How long the chemist spent in counting the germs and the number that might reasonably be expected upon a twenty-dollar bill deponent saith not.

THE LEDGER, desiring to prevent the general spread of germs, has made arrangements to accept any number of them in payment for overdue subscription accounts.

Don't wait till you get in the Morgue—but come a-runnin', like the fellow in the picture.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

Cured After Suffering 10 Years.
B. F. Hare, Supt. Miami Cycle & Mfg. Co. Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. Wood & Son, Druggists.

PORTER & CUMMINGS.
FUNERAL DIRECTORS.
17 E. Second street. MAYSVILLE, KY.

Mrs. Haskell, Worthy Vice Templar, Independent Order Good Templars, of Silver Lake, Mass., tells of her cure by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: Four years ago I was nearly dead with inflammation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines and washes internally and externally until I made up my mind that there was no relief for me. Calling at the home of a friend, I noticed a bottle of Lydia E. Pinkham's Vegetable Compound. My friend endorsed it highly and I decided to give it a trial to see if it would help me. It took patience and perseverance for I was in bad condition, and I used Lydia E. Pinkham's Vegetable Compound for nearly five months before I was cured, but what a change, from despair to happiness, from misery to the delightful exhilarating feeling health always brings. I would not change back for a thousand dollars, and your Vegetable Compound is a grand medicine.

"I wish every sick woman would try it and be convinced."—Mrs. IDA HASKELL, Silver Lake, Mass. Worthy Vice Templar, Independent Order of Good Templars.

When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying it, "I do not believe it would help me?"

Surely you cannot wish to remain weak, and sick and discouraged, exhausted with each day's work. You have some derangement of the feminine organism, and Lydia E. Pinkham's Vegetable Compound will help you just as surely as it has others.

Mrs. Tillie Hart, of Larimore, N. D., says:

"DEAR MRS. PINKHAM: I might have been spared many months of suffering and pain if I had known of the efficacy of Lydia E. Pinkham's Vegetable Compound a few months sooner, for I tried many remedies without finding anything which helped me before I tried the Vegetable Compound. I dreaded the approach of the menstrual period every month, as it meant much suffering and pain. Some months the flow was very scanty and others it was profuse, but after I had used the Compound for two months I became regular and natural, and so I continued until I felt perfectly well, and the parts were strengthened to perform the work without assistance and pain. I am like a different woman now, where before I did not care to live, and I am pleased to testify as to the good your Vegetable Compound has done for me." Sincerely yours, Mrs. TILLIE HART, Larimore, N. D.

Be it, therefore, believed by all women who are ill that Lydia E. Pinkham's Vegetable Compound is the medicine they should take. It has stood the test of time, and it has hundreds of thousands of cures to its credit. Women should consider it unwise to use any other medicine. Mrs. Pinkham, whose address is Lynn, Mass., will answer cheerfully and without cost all letters addressed to her by sick women. Perhaps she has just the knowledge that will help your case—try her to-day—it costs nothing.
